## PROFESSIONAL SUMMARY

AI/Prompt Engineering enthusiast pursuing a Bachelor of Engineering in Artificial Intelligence at Sir Syed University of Engineering & Technology, with academic distinction in Prompt Engineering (4.0/4.0 GPA) and hands-on experience crafting and testing prompts across ChatGPT, Claude, Gemini, and Microsoft Copilot. Built and delivered a team AI project (Echo) combining speech processing and emotion analysis using Python and OpenAI Whisper. Brings additional real-world experience in CMS development and performance-driven digital marketing, adding a practical, business-aware lens to designing AI-driven solutions and workflows.

## TECHNICAL SKILLS

- **AI / LLM Platforms:** ChatGPT, Claude, Google Gemini, Microsoft Copilot
- **Prompt Engineering:** Prompt Design & Optimization, Prompt Testing & Evaluation, Prompt Libraries & Templates
- **Programming & AI Tools:** Python, Pandas, Object-Oriented Programming (OOP), OpenAI Whisper (Speech-to-Text)
- **Core Concepts:** Generative AI, Large Language Models (LLMs), Natural Language Processing (NLP)
- **Business & Web:** CMS Development, Digital Marketing (Meta/Facebook Ads), Stakeholder Communication

## EDUCATION

### Bachelor of Engineering – Artificial Intelligence *Ongoing – 3rd Semester*

*Sir Syed University of Engineering & Technology, Karachi*

- Prompt Engineering, Object-Oriented Programming & Programming Fundamentals Coursework – GPA: 4.0/4.0
- Upcoming Semester 3 coursework: Machine Learning, Data Structures & Algorithms

## PROJECTS

### Echo – AI Audio Transcription & Emotion Detection Tool *2nd Semester*

*Team Project (3 Members) | Python, OpenAI Whisper*

- Developed a Python application that converts audio into timestamped transcripts using OpenAI Whisper for core speech processing
- Designed an emotion-estimation feature that analyzes speaking pace to infer speaker emotion, extending the tool beyond standard transcription
- Collaborated in a 3-member team across the full build cycle – design, development, and testing

## WORK EXPERIENCE

### Digital Marketing Specialist – A-Forward *July 2026 – Present*

- Plan and run Facebook/Meta marketing campaigns to grow brand visibility and audience engagement
- Monitor campaign performance metrics and adjust targeting and content strategy to improve results

### CMS Developer – Digital Dunes *October 2023 – March 2024*

- Built and maintained CMS-based websites for client projects
- Worked directly with stakeholders to translate business requirements into functional web solutions

## CERTIFICATIONS

- Certificate of Participation – Prompt Engineering Competition, AI Week 2026, Sir Syed University (June 2026)
- Certificate of Participation – Poster Competition, AI Week 2026, Sir Syed University (June 2026)

## LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- Member, Cocurriculum Activity Committee (CAC), Sir Syed University
- Member, IEEE Student Chapter, Sir Syed University
- Member, SMEC'26, Sir Syed University
- Volunteer, IMTEC – AI-focused inter-university event jointly organized by Mehran University & Sir Syed University
